There is no cable, but there is Roku. The remotes are in the basket by the coach. The Magnavox is for the DVD player; the Samsung is for the TV.

Refrigerator

Please help yourself to water. The top two shelves are for your use.

Cooking Supplies

You are welcome to use anything in the kitchen, including the cooking oils and spices. The skillet cannot be placed in the dishwasher, so please handwash them. Dish soap is to the left of the faucet or under the sink.

Fans

All fans/lights are operated by remote. The remotes are placed over each light switch. Press "o" to stop the fan.

Sprinklers

The sprinklers run every other day at 10 pm, and 5 am. When the sprinklers are on, the water pressure in the house is lower.

Trash

There are large recycle and trash bins either on the patio or outside the back gate. New kitchen trash bags are at the bottom of the black trash can in the kitchen.

Fire Safety

There are two fire extinguishers - one under the kitchen sink and one in the linen closet.

Cleaning Supplies

Wipes for easy cleaning are on the kitchen counter. Please avoid using the wipes on wood furniture. Other supplies, including tablets for the dishwasher, are under the kitchen sink.

Blankets, Towels & Storage

There are more blankets and towels in the hall closet. Help yourself to what you need. The bottom drawer of the nightstand is available for your use.

Check Out

Check out is at 11 am. Please strip the beds and place the sheets and towels on the floor near the washing machine. Place dishes in the dishwasher, empty the trash cans, and take trash/recycle to the bins in the back yard. Remember to shut all windows, lock both doors, and leave the keys in the lockbox.
